Youth League Breakfast Results

Approximately 658 breakfasts were served at the annual Youth League Breakfast held on Sunday, January 14th. As usual everyone pitched in to help make this event run smoothly and to make this fundraiser a huge success.

The Youth League wishes to express their appreciation to everyone who helped out in any way or manner. Thank you very much for your support!

Mater Dei High School Senior Service Project

Mater Dei students were at St. Rose School volunteering during the month of January as part of their Senior Service Project. The staff and students would like to thank **Sam Kuhl, Seth Huelsmann, Kevin Medlin and Hannah Schulte** for choosing to volunteer their time at our school. Their services were helpful in assisting classrooms in various functions.

Their support included listening to students read, assisting students with class studies, helping students study for tests, working with students to learn specific academic skills requested by the teachers, and also helping with many other various routine activities in the classroom, cafeteria and at recess. *Thank you!*
